ArrowSpan Offers a 30 Day Money Back Guarantee for its Wi-Fi Mesh Network Solution MeshAP 1100

Santa Clara, Calif., January 15th, 2007 – ArrowSpan Inc., a global provider of Wi-Fi mesh solutions, is allowing carriers and service providers to test out their products risk free. Starting January 15th, 2007, ArrowSpan will offer a 30 day money back guarantee on its Indoor MeshAP 1100.

Satisfaction is guaranteed, but if for some reason the products are returned within 30 days, the buyer will be credited the full amount of the purchase price.

It is a great way to experience the efficiency and performance of ArrowSpan's Dual-Radio Wi-Fi MeshAP Access Points.

The MeshAP 1100 can expand hotspots to hotzones at a fraction of the cost compared to the competition, and its dual radio design provides better wireless coverage and is compatible with third party Access Servers, IP devices and Network routers.

The MeshAP 1100 can be purchased directly at ArrowSpan's Online Store at <http://www.arrowspan.com>, and for a limited time only, customers will receive a POE module free with their purchase. This offer will expire on March 15th, 2007.

About ArrowSpan, Inc

ArrowSpan, Inc. develops and manufactures next-generation Wi-Fi mesh network solutions. All units are specifically designed to be seamlessly compatible with all brands of an existing network access server, application server, router and gateway. Our solutions enable carriers and service providers, to expand existing wireless networks to a wider reach. ArrowSpan's streamline design philosophy and manufacturing expertise, makes the Wi-Fi mesh network solutions one of most cost efficient solutions on the market. ArrowSpan is committed to building reliable wireless mesh solutions, and we are backing our wireless mesh Access Points with a limited three year warranty.
